## A Tragic Loss

ALEC Saunders, known to many as Tractor Alec or Alec 'One thumb' sadly died in the early hours of Saturday 22nd September 2007 in a caravan fire. Alec, aged 64 will be missed by many following such a tragic accident.

As a child, Alec was brought up at his home in Challis Lane, Braintree. After leaving school, he had a job looking after chickens and after passing his driving test, delivered bread for Doves Bakery in Braintree. Alec moved on and lived at Little Codham Hall, Beazley End in a caravan and worked for Mr. Tabor, Bocking until his caravan burnt up in approx 1985. After this, Tommy Letham took Alec under his wing and he worked at Trotters Rest slaughter house, High Garret and lived in a caravan there. Shortly after, Tommy took him to Westmead, Cut Maple, Gosfield where he lived in a cabin, this became his 'official address'. Over the last 10 years Alec gradually made his way to Whitehall Farm, Wethersfield to his caravan and finally exchanged it for a mobile home. He lost his thumb in an accident involving a saw bench 25 years ago.

Alec enjoyed keeping himself busy and it pleased him no end to help other people out wherever possible. Alec was involved in various charity events and raised over £ 1000 for the air ambulance on a sponsored bike ride.

He also raised money for Blackmore End Playing Field Association, of which he was a committee member.

Alec had many jobs including those mentioned above such as; looking after cattle at Bovingdon Hall, Bocking (cattle was Alec's main interest), working at Chelmsford market for Whirledge & Nott weekly as a Cattle Drover and occasionally a night watchman for machinery in the sales - this came to an end when the market closed down. Alec's pride and joy was his tractor which he bought from Tommy Letham and kept for 15 years, he finally sold his tractor earlier this year and replaced it with a van which he was also very proud of. Alec relied on his methods of transport to carry out odd jobs for people all around the district. Alec kept a vegetable garden for Brian Moore which was very impressive. He also kept chickens along with 100 turkeys each year for Christmas trade. He also used to own a horse called Sinbad which once took part in Braintree Carnival.

Alec left a brother called Eric who lives in Stebbing, Mary his sister who lives with husband Michael in Somerset and another brother Peter who lives in Maldon. Kerry his niece lives with her husband in Wethersfield and Simon his nephew lives in Stebbing.

Alec liked to celebrate his birthday every year on July 6th and on his 60th birthday, over 250 people turned up at Fairy Farm in a barn to celebrate with him. He frequented many pubs in the area with his main stop off being at The Cock at Beazley End, The Bull at Blackmore End, Bottle Hall and the White Lion at Hedingham and The Tavern at Wethersfield. He was well known for getting into a lot of muddles but with a little help from his friends, he managed to get out again. His favourite saying being 'Muddles were made to get out of'.

## The News Re-Launched

After a three year 'pause' this is the first issue of the News since the last issue in Dec. 2004. There was widespread support for it in the responses to the Village Appraisal and the recent formation of a small editorial team has made the relaunch possible. It is planned to publish four issues a year - Autumn, Winter, Spring and Summer.

After such a long break, this issue provides an update on recent and forthcoming village events as well as the various clubs and societies.

We apologise for any omissions due to lack of space, but we will make up for this in the next edition.

This is a parish newspaper and We are looking to our readers to provide items of general interest to keep it going. Please (ideally) email or phone - contact details are on the back page.

As to the piece alongside, we know this tragedy has been already reported in the press, but feel that the fascinating background to Alec's life should be told here.

## WAP..... Fiddler on the Roof

The next production of WAP will be Fiddler on the Roof on March 6th, 7th & 8th 2008. This is a well known and uplifting show set in a Jewish Community in early 20th century Russia. It has great songs, "Tradition", "If I were a rich man", "Sunrise Sunset" and balances a serious emotional subject with humour and entertainment.

Performances will take place at Wethersfield Village Hall, so watch out for posters and leaflets and ensure you buy tickets early, especially for Friday/Saturday nights and Saturday matinee, which have been sell outs.

# Wethersfield Pre-school

(Registered Charity No. 1023628)

Located at The Pavilion, The Playing Field, Wethersfield.

Established in 1967,

Wethersfield pre-school is managed by a voluntary committee made up of parents who's children attend the pre-school.

We have 6 friendly members of staff plus 3 volunteers/relief staff who control the day to day running of the pre-school. Children are welcome to attend the pre-school between the ages of 2-4 ½ years. We are proud to have a full register at present with children attending from Wethersfield and the surrounding areas.

## Wethersfield Pre-school has been running for 40 years !!!

On Monday 17th September the children and staff at the pre-school had a 'red themed day' to celebrate its ruby anniversary.

The children had already started the new term with a change to the colour of their uniforms to red to commemorate the anniversary. Founder member Elaine Ambrose attended the session alongside Gloria Ellis who remains a member of staff after 39 years! The children celebrated with red balloons, a bouncy castle, decorating cakes with red icing and making crowns.

The playgroup was originally located at the Village Hall in 1967, it then moved on to the URC hall for a short time, then in 1976 was located at the Borthwick's family residence at Wethersfield Place for approx 10 years. In 1986 the playgroup moved to the Pavilion building in which it is located now.

Our 40 Year Anniversary Dance & Charity Auction took place in September and was a very enjoyable evening.. Through ticket sales, donations, raffle, auction and the bar we managed to raise just over £ 1750.00. This money will all go towards providing new quality toys and equipment (including storage). Thank you to everyone who helped make this such a successful event.

**AGM - Tuesday 6th November**, 8pm at the Pavilion, Wethersfield. This is an excellent opportunity to come along and listen to what is going on in the pre-school with the option of joining our committee.

## Pub Quiz Night - Saturday 10th

**November**, 8pm start at the Tavern.

# People..... The Woollards

Angie and John Woollard arrived in Wethersfield 18 months ago from Portsmouth. They had thoroughly enjoyed living on the South Coast because Portsmouth offered so much to see and do; it's easy to walk everywhere and of course, is a beautiful port.

When John's job as a district judge brought about a move to London, the Woollards, having previously lived in Stebbing, began to look for somewhere to live - a nerve wracking time as there was little on the market and they had already sold their house in Portsmouth. The estate agent marketing St George's House had mistakenly advised that the house was in the village of Withersfield near Haverhill. However, arriving in Wethersfield, Angie was drawn by the Georgian house's character and once John had seen it, they decided to make an offer.

The couple who have two children, Oliver, 24 and Lucy 21, moved in May 2006 and Angie says, "it has been a great move, we've found people in the village incredibly friendly and welcoming and there is such a lot going on."

John who at school trod the boards with Griff Rhys Jones, will be playing second man in the WAP's next production of "Fiddler on the Roof".

Wethersfield's latest production which will be staged in March.

Also in March he and Gwenda Hall will be presenting Wethersfield History Society's

monthly talk, "Wethersfield in 1808" which will coincide with the 200th anniversary of Patrick Brontë living in Wethersfield. Without giving too much away, they will be exploring Brontë's time in the village including his love affair with a neighbour - it all happens in Wethersfield!

Many of the Woollards' new neighbours arrived in Wethersfield at around the same time although the latest arrival is not so welcome. A peahen has been nesting in their garden since March and they are hoping she will soon find her way back home.

Angie and John are pleased that they too found their way back to North Essex and especially to Wethersfield.

## Pathfinder Walks in 2007

The Pathfinders meet on the 4th Sunday of the month (Not the last Sunday, as some months have 5 Sundays) with the exception of December when we meet on Boxing Day. The dates for the remaining walks this year are:-

**Sunday 28th Oct Village Green Wethersfield**      **Sunday 25th Nov Village Green Wethersfield**  
**Wednesday 26th Dec Blackmore End Village Hall Car Park**

All walks start at 10.30am and last about 2 hours

The aim of the pathfinders when formed was to encourage people to walk the footpaths of the parish to promote their use and to ensure that they were generally well signposted. Over the years I think these aims have been met on the whole very well. Many of the village residents, myself included, have learnt their way around the local countryside by participating in these walks. In my case I have gone on to organizing and leading many of the walks. In 2007 we decided to start more of the walks from Blackmore End than in previous years in order to give a greater variety of paths walked. Again I think this has also been successful so in 2008 I think we will try starting a couple of the walks from Finchingfield or Great Bardfield in order to once again extend the range and variety of footpaths walked while staying reasonably local to the parish. So please come along and enjoy a walk with us. They are not too strenuous although you do need to be able to climb the odd stile. Its a great way to learn your way around, meet people, see more of the countryside than you can by car and its good for you. If you have a (well behaved) dog then all the better, there are usually several other dogs for them to have a run with. If anyone wants any more information they can contact me on 850937 and I look forward to seeing you on the next walk.

## Youth Music Festival

September the 15th saw the tenth anniversary of the Wethersfield Youth Music Festival. Around 50 young people from Wethersfield and the surrounding area came together to provide an evening's entertainment and raise money for the Church. This year acts included a number of solo instrumentalists of all standards, a choir, the Upbeat Youth Band, flute choir, single Reed ensemble and a string group. Although I select many of the items individually, the choir is open to all and anyone who plays a woodwind or string instrument is welcome to join one of the ensembles. We usually start rehearsing in the Summer Term half-term holiday so look out for information around that time.

# Wethersfield C. of E. Primary School Parent Teacher Association

FOR those of you not familiar with the School here in Wethersfield and the role of the PTA, we would like to give you a brief outline of what we do and who we are.

Wethersfield C. of E. Primary School sits in the centre of the village and has done so for 150 years. We have 60 children at the moment aged from 5-11.

The PTA exists to bring together parents and teachers with a shared interest in supporting their school. It offers an informal channel of communication between parent and staff, who between them plan and run fundraising events and decide the best way to spend the money raised. Every school has a budget, which is of course limited. By raising extra funds we can provide additional items that add to the children's enjoyment.

All parents and guardians of pupils attending the school and all teachers are automatically members of the PTA. However in reality there are a small number of us that actually organise things, but we are always on the look out for new members. The management of the PTA rests with the committee, a tireless and enthusiastic bunch. This year we were very sad to lose several very hardworking and experienced members of the committee, including our excellent and extremely well organised chairperson, Marion Wells. As children leave they unfortunately take their parents with them. So the committee at this moment in time is mostly made up of fairly new (and ever so slightly nervous...) members.

In the past we have paid for the cost of transport to a Christmas pantomime, a keyboard, transport to the swimming pool, netball skirts, TV and video, IT equipment, books, musical instruments, digital cameras, science equipment and at the end of each year we hold a school leavers event.

Most recently we were able to fund, a juggling day for the older children and an 'Elmer' day for the younger children, a visit (complete with Owls) from Linton Zoo and also purchase a mini cooker with its own trolley and utensils. This has enabled the children to be able to cook in their own classrooms. In addition to the 'treats' we also give the school a termly donation to help with general costs like transport. In all the PTA has raised in excess of £ 10,500 since 2000. Not bad for such a small school. So it just remains for us to say that we would be delighted to see you at our events in the coming months. The first note for your dairy is our annual Christmas Bazaar to be held on Friday 7th December 2007 at 3.15. We hope you will join us and look forward to seeing you there.

## Neighbourhood Action Panel

Neighbourhood Action Panel (NAP) is a new initiative led by Essex Police. It involves representatives of the area, including Wetherfield, Finchingfield, Shalford, The Bardfields, Cornish Hall End, Blackmore End, Panfield and Saling, forming a panel who identify and prioritise community problems which require a multi agency approach to achieve sustainable long term solutions. These are then forwarded to the community Safety Tasking/Joint Action group who meet monthly at Braintree Police Station. This group incorporates BDC-housing association-youth agencies-social services and police. Public meetings will be regularly held in the participating villages to ascertain any on going problems - the first of which will be Tuesday 27 November in Blackmore End Village Hall at 7pm. Please come along and share your views on any local issue that is causing you concern.

## United Reformed Church

After a few months of uncertainty over new groupings within the U.R.C. District, we were thrilled to be invited to be linked, with Halstead United Reformed Church, under the ministerial leadership of Rev. Michael Rigney.

To affirm this position Michael was inducted into our church on Saturday, 21st July following the usual U.R.C. Service of Induction. Our chapel

was full as district officers, church members, Michael's family and friends, alongside many village friends to welcome him.

Michael now regularly conducts services for us, leads our church meetings, joins in our social events and has already been a support to villagers who have needed his help and continues to be available to visit anyone who feels they have a need. We look forward to this fresh start (this is the first minister to have been inducted in our church for about 60 years!), and we already have a number of new ideas in mind that we

hope you will come to join us for. More about these in future village news.....

**On Sunday, 2nd December**

we celebrate the start of Advent and a special Family Service to celebrate. This will be a short service (starting at 11am), when parents can relax with their children and join in preparing for Christmas with our usual mixture of hymns for our young and older members, percussion playing, prayers and a Bible message. This is all followed with refreshments and the chance to have a chat with others. We welcome you all to join us on this occasion.

Then on **Wednesday, 5th December**, 10am. we open our doors to all the youngest members of our village for Kid's Carols. The youngest classes in We+hersfield Primary School. The Pre-School. Jay's. Little Rascals and babies and toddlers at home with parents and carers, are invited to join us for this very short get together, with well known easy Christmas Songs and story time, all followed with a drink and cake. Several of the main groups mentioned will take individual parts. Again we welcome everyone to this, including more senior folks who just enjoy watching children at Christmas.

**Sunday, 9th December** 11 am - Communion Service for Christmas.

**Sunday, 16th December** - Candlelight Carol Service 6.30pm.

Please note the change this year, in so far as this popular service is to be held on a Sunday evening instead of mid week. As usual our collection on this evening along with all our collections in December will be donated to Cancer Research.

**Sunday, 23rd December** - Members Service 11am.

Again this is another very popular service - if you have a favourite hymn, poem, Bible passage etc please let our Secretary know and you are either welcome to come along and read them yourself or someone can read them for you.

**Sunday, 24th December** 11.30pm.

We will be joining with our sister church. The URC in Halstead, for this extra special service to welcome Christmas Day and reflect on the true meaning of Christmas. A warm welcome awaits you all - do come and join us.

**Sunday, 25th December** 10am. Start Christmas Day by celebrating Jesus' birthday. Come to our short Family Service and be home in time to cook your Christmas Dinner.

**Secretary: David Jenkins.**
