

## Shalford Parish Council Annual Assembly

The annual public meeting was held on Wednesday 25<sup>th</sup> April, which proved the most successful for several years, with over 60 residents attending.

All the local organisations provided a representative who gave an insight in to their activities, with Essex Air Ambulance giving details of the recently purchased helicopter at over £5 million, long term will be a saving on the previous leased unit, current weekly running costs over £500,000

Many residents stayed after the meeting to partake in the nibbles and drinks provided and to meet the District Councillors Peter Tattersley & Peter Schwier and our County Councillor Graham Butland who all gave their views on local district infrastructure.
